LEXINGTON, KY, May 3, 2010 —Office Suites PLUS, a fully furnished office and virtual office provider, announces assistance for businesses who have been temporarily displaced due to the flash flooding in the Nashville area.

Businesses that have been impacted by the heavy rains and flash flooding over the weekend will be eligible to receive preferred rates on office space, meeting rooms, guest offices, telephone answering and mail receipt services. In addition, setup fees will be waived for any companies needing office space for one month or more while their facilities are being dried out.

“Unfortunately, business doesn’t stop because Mother Nature interrupted. We hope to provide a way for companies to get their people back to work so their business interruption is minimized. Our facilities are fully furnished and staffed, and we can accommodate people immediately” said Office Suites PLUS President James C. Baughman, Jr.

Office Suites PLUS has two Nashville-area locations:

- Office Suites PLUS at Brentwood: 9005 Overlook Boulevard, Brentwood. Phone (615) 373-4095
- Office Suites PLUS at Cool Springs: 2550 Meridian Boulevard, Suite 200, Franklin. Phone (615) 567-8000
